Dear Parent/Guardian,

D of E Silver Practice Expedition

At Ark Kings Academy, we feel strongly about activities outside of the classroom that can support students in their applications for post-16 education. We also take the Health and Safety of our students very seriously.

Due to the forecasted weather conditions for the Easter weekend we have taken the difficult decision to postpone the Silver Practice expedition to ensure the safety of our pupils. This will be rearranged for the first half of the summer term before the year 11 students begin their GCSE exams, the final date will be confirmed as soon as possible.

I apologise for the late notice in this postponement as I am aware some students have rearranged activities to allow them to participate but we have been monitoring the forecast for the last few days before deciding.

If you have any further questions regarding the expedition please feel free to contact me.

Yours sincerely,

Mrs Rosalyn Chalk
D of E Manager
ARK Kings Academy
