

English

- Discussing fiction and non-fiction features.
- Creating our own fact file about Ark Kings Academy.
- Creating our own diary entry.
- Recounting an event we have experienced.
- Orally rehearsing texts.
- Editing and publishing writing.
- Handwriting practice and using the tram lines.
- Improving spelling across our learning.

PE

This half term we will continue to be learning team games focusing on catching, throwing and footwork. We will learn about how to be a good team player.

Maths

- Solving addition and subtraction equations using regrouping.
- Exploring money and solving problems using different coins.
- Identifying 2D and 3D shapes and looking at their properties.
- Using positional language to follow a route.

RE

We will be looking at the time up to Easter and the Easter story. We will look at the meaning of Lent.

Science

We will be building on our materials work from the Autumn term and finding out which materials would be suitable for protection from heat. This links with our Great Fire of London topic.

Year 2 – Barnardo's Spring 2

Music

We will be learning songs in our singing assemblies.

Art

- Exploring the artist LS Lowry.
- We will look at his work over time and then create our own pieces in the style of his work.

History

We will be finding out about the Great Fire of London. We will look at when it happened and why and will be able to sequence the events of the fire.
