

English

- Discussing fiction and non-fiction features.
- Creating our own fact file about an animal.
- Creating our own setting description.
- Orally rehearsing texts.
- Editing and publishing writing.
- Handwriting practice and using the tram lines.
- Improving spelling across our learning.

PE

This half term we will continue to be learning team games focusing on catching, throwing and footwork. We will learn about how to be a good team player.

Maths

- Telling the time to quarter to, quarter past, half past, o'clock and five minutes past and to the hour.
- Solving word problems involving time,
- Working out $\frac{1}{4}$, $\frac{1}{2}$, $\frac{3}{4}$ and $\frac{1}{3}$ of numbers and shapes.
- Solving word problems involving fractions.
- Exploring equivalent fractions.

RE

We will be looking at various places of worship and comparing their similarities and differences.

Science

Animals, including humans.

We will look at several types of habitats and discuss the different animals that live in these habitats.

We will then make comparisons between different habitats, such as animals that live in the desert and the rainforests.

Year 2 – Barnardo's Spring 1

Geography

We will be exploring our local area and identifying human and physical features. We will then compare and contrast our local area to Brazil. We will then write a report that summarises our comparisons and similarities.

Music

We will be learning songs in our music lessons and exploring the beat and rhythm in different pieces. We will also practise using our body to move to the beat.

Art

- Exploring the artist Henri Matisse.
- We will look at his work over time and then create our own pieces in the style of his work.
