

Message from the Phase Leads

This week Year 2 have started their SATS.

All children have been great at supporting them by staying positive and quiet on the playground. Alongside their SATS the Year 2 pupils have been doing some fantastic writing based on a haunted school. We have also all enjoyed the sunny weather – please make sure all children have a water bottle and hat in school.

Have a fantastic weekend. See you all ready to learn on Monday.

What we have been up to

Year 1 embarked on an exciting journey to Stratford-upon-Avon on Thursday 22nd March. The children were busy on the coach looking for things out of the window to tick off on their treasure hunt list.

The sun was shining and everyone was happy. When we walked through the town admiring the old buildings we saw Shakespeare's birthplace before arriving at the MAD Museum. Our time there was filled with smiles, laughter and excitement as the children interacted with the weird and wonderful machines and pieces of mechanical art.

We all became engrossed in building giant marble runs, working as a team, showing perseverance and excellent problem solving. The children were so well behaved they were a credit to our school. It was a fantastic day and the most popular question was

“When can we come again?”
