Message from the Headteacher

Dear Parents,

What a great first week we have had together. It has been a pleasure meeting you and your children and I know we will make amazing things happen over the next year at Kings Primary.

We have put a lot of systems and procedures in place to ensure your child/ children is/ are safe, thank you for supporting us with these.

Our attendance week one has been over 97% which is an excellent start and is above national Average. Let's keep that up now and celebrate our successes! We are still having a few children coming late to school- please get to school on time as it really helps your child to settle nicely and ensures they don't miss any learning time.

Next week we are excited to fully launch our new House point system! All children Reception-Year 6 will be placed into a House Team. The Houses are: House of Windsor, House of York, House of Lancaster and House of Stuart. Each child will be able to earn house points for their house and each week in achievement assembly; the winning house will receive a reward.

Lots more exciting things to come at Kings Primary over the coming weeks.

Mrs C. Brasenell
Primary Headteacher
