

01 May 2013

Dear parents and carers

I am writing to you in exceptional circumstances in order that you know from me personally some matters of importance.

This morning I held a whole school assembly to inform students that it has come to my attention that illegal substances have been brought into school. I have worked closely with the police and they are supportive of the action I have taken to prevent this reoccurring in our school.

I have reassured students and would like to reassure you, that this is not the normal behaviour in ARK Kings Academy. I have also reminded students what they should do if any information comes to them at any point that they are concerned about. They should immediately let a member of staff know who will pass this to me so that I can take the appropriate action.

I am sure you will support me in taking the strongest stance on this criminal behaviour and show no tolerance of this in our school community.

Thank you for your continued support in helping your child do the best and be the best they can be at school. I will be writing to you again in the near future on more positive matters.

Yours sincerely,

A handwritten signature in black ink, appearing to read 'Kieran Larkin', written in a cursive style.
