

Aspire. Expect. Achieve. Together.

Message from the Headteacher

Dear Parents,

This week we have been really pleased to see our full curriculum start; the children have been enjoying a range of subjects throughout the week.

Attendance has been really strong all week- thank you for your support with this- it's so important that your children are here every day and on time. It really helps to settle them into their class and with their learning for the day. Our attendance in some classes on each day has been 100%! There are lots of children who have individually got 100% attendance so far too- there will be rewards for excellent 100% attendance each half term. Well done- keep it up!

PE clubs with Mr Beardmore have started this week and it was lovely to see so many children enjoying these. The children are fully aware that our same high standards and expectations and behaviour code of conduct apply to clubs, including breakfast club, so that the children can be safe and have fun during club times.

Some parents have asked me for information regarding childcare facilities in the area; I am meeting with some companies next week, so look out for information on next week's newsletter.

Our school values: **Aspire, Expect, Achieve, Together**. Get your children to tell you about these and show you the actions that go with them!

Thank you as always for your continued support.

Mrs C. Brasenell
Primary Headteacher
