Changes to Head of Year 8

Dear Parents/Guardians,

Hopefully this letter finds you and your family well. I am writing to inform you of some changes in Year 8. It has been previously shared in the weekly briefing and the assembly before half term, but I would like to introduce myself to you all in writing. As of this term, I will be the new Head of Year 8, continuing next year to be the Head of Year 9. Mr Barker will remain a Head of Year at Ark Kings Academy, but will instead be focusing his efforts on the transition between Year 6 to 7 ready to be Head of Year 7 in September. Mr Tuohy will continue to be Student Support Manager for Year 8, moving into Year 9.

I think it is important to share some details about myself for students who may not know me very well, but also for parents to get to know me. My name is Ms Cremin and I have been teaching at Ark Kings Academy for four years now in the English department. I was previously Second in Department choosing to continue progressing down a pastoral rather than academic route in school as I feel this is where I get most satisfaction. Some students in Year 8 have already been taught by me so I am sure I have met many parents through Parent's Evening and other events. I am really excited to take over this Year group and together work through the struggles of Distance Learning until we can once again be in the same building.

Understandably, there have been many changes in school the last few months and this may give rise to some concerns or fears. Please contact myself or Mr Tuohy if there is anything at all that you would like to discuss. We want to be as supportive as possible and allay any concerns. With that said, my details are at the bottom of this letter and I look forward to speaking/ working with you in the future.

Yours Sincerely

Ms Cremin

Head of Year 8 | Teacher of English
