Re: Distance Learning

Dear Parent/ Carer,

We hope you are all well and staying safe at home.

We know lots of your children have been completing their work at home- well done!

I am pleased to tell you that we now have a Distance Learning email address where you can:

- Ask any questions regarding your child's work
- Send us pictures of your child/ children learning- including other learning you may be doing with them

We'd love to hear from lots of you- especially the pictures as we would like to upload these onto our virtual weekly Achievement Assembly. If you don't want your child's picture online- please send a photo of just their work and name.

When you send an email, please make it really **clear which child and class** your query or work is in relation to. Thank you.

Our Distance Learning email address is: distancelearning@arkkingsacademy.org

We look forward to hearing from you soon and seeing your children's work.

Yours sincerely,

Mrs C Brasenell
Primary Headteacher.
