Mathletics

We are now a Mathletics school! You will be receiving a letter with your child's login details in the post this week. Teachers will be setting Maths activities for pupils to complete each week – we recommend pupils complete these during the Independent Learning slot of their timetable each day.

More details about this exciting programme can be found here: <https://support.3plearning.com/mathletics/mathletics-parent-tour/>

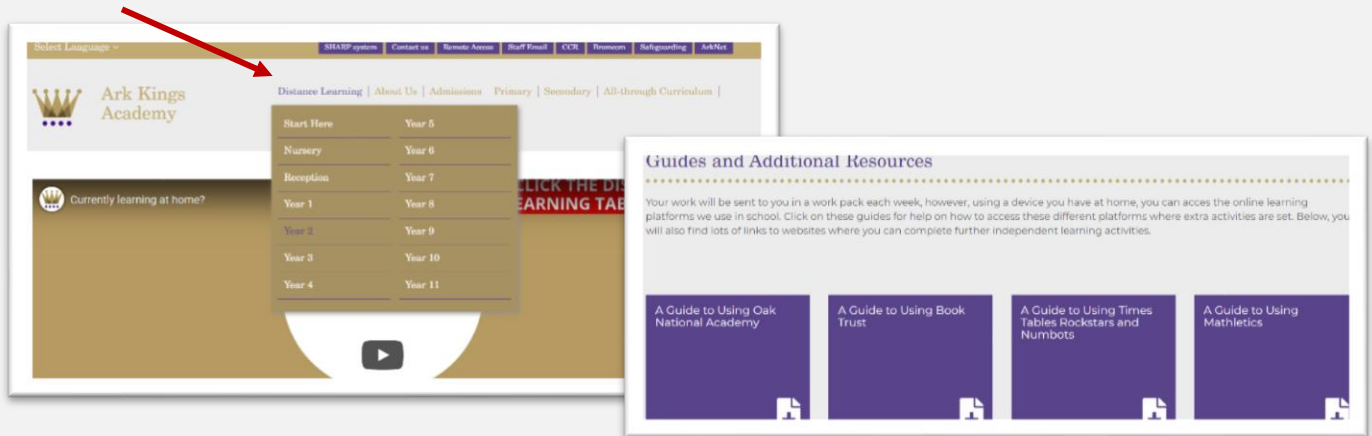

Our Distance Learning Stars!

We are so proud of all of our pupils and families who are working so hard at home! Well done!
