

Dear Parent/Carer,

As we approach the end of term, I wanted to write to you all to express my thanks for all of your help and support, not only over the last academic year, but over the last seventeen months during the COVID pandemic. I really appreciate how we have all been able to work together to continue to ensure the school could remain open and children could remain in attendance. It has been difficult for us all at times, and we certainly do not underestimate the challenges you faced, not least during the periods of supporting your child with remote learning during lockdown and bubble closures.

We will be working through the summer to implement the latest government guidance around the pandemic and set about what school will look like for us all in September. A full, updated risk assessment will be shared with you on 2<sup>nd</sup> September which will include full details along with voluntary on site testing during week commencing 6<sup>th</sup> September.

I will write to you again on 2<sup>nd</sup> September with further updates but until then I wish all of you a very safe, restful and enjoyable summer.

Roger Punton  
Principal
