

12/07/2021

Dear Parent/ Guardian,

At Ark Kings Academy we have high expectations of students' school uniform, which includes their PE kit. Over the last few months we have understood the difficulties in replacing the Ark Kings PE kit, which is why we have allowed other items of kit with the preference that they have some kit and are able to participate as opposed to no kit at all.

From September, we will be re-establishing the high expectations of kit, in line with our school uniform policy. This is to ensure all students are appropriately prepared for the lesson and can therefore participate fully with a reduced risk of injury. As with COVID recommendations, it is also essential we maintain the highest hygiene levels, where bringing in the correct kit, helps us with this.

If students cannot participate in PE, they need to provide a signed note from the parent or carer to explain the reason why. Students without kit and no note, will be expected to participate in some capacity and will receive a 30 minute correction.

The correct PE kit for all students is as follows:

Purple polo shirt with academy logo

Plain black shorts or tracksuit bottoms

Trainers

Plain back jumper or long sleeve top for winter months

The purple top with the academy logo can be purchased from Clive Mark, either in store or online. We are also looking at selling a Black Jumper with the Academy Logo, which will also be available from Clive Mark from September.

If you have any issues or questions regarding PE kit, please contact the school.

Yours sincerely,

Miss H Lloyd
Head of Physical Education
