Message from the Headteacher

Dear Parent/ Carer,

I can't believe that we only have one week to go before the end of this academic year. Of course, it's not the end of year that any of us would have wanted and it feels very strange to be ending the year in this way. But.... we still have so much to be proud of despite these strange times.

I am so proud of the way you have all kept safe during the COVID-19 Lockdown period and the amazing amount of home learning completed, which we know has been tough to do at times. I am proud of the positive feedback you have ensured school has been told and of your brilliant support as always. I am proud of how many families we have supported through these last few months and of the staff here at Kings Primary who have worked tirelessly to keep in contact with your children, provide work and lots of other support.

We will start afresh in September and want to assure you all that plans are in place to catch up on any lost learning and to ensure the school is a safe place to return to in September. We cannot wait to see you all!

September 2020 opening:

- **Kings Primary will re-open for all pupils on MONDAY 7th SEPTEMBER 2020.** Some **new to school** pupils in Nursery and Reception may have a staggered start- we will write to individual families to let you know if this applies to you.

End of Year arrangements:

Pupils currently in school will finish on Wednesday 15th July 2020 at 3.00pm. Please ensure that you come to school to meet your child to say goodbye to staff etc and to help your child collect their belongings! There will be a lot of items coming home with your child/children including school reports, next year's class teacher information, goody bags, summer activity packs etc.

Pupils not currently in school have all been invited to attend school on Thursday 16th July to have a one to one meeting with their class teacher and collect their reports, new class information, goody bag and summer activity pack. We are looking forward to seeing you all.

Have a good weekend, continue to stay safe and look after each other.

Best wishes to you and your family.

Yours sincerely,

Mrs C Brasenell
Primary Headteacher
