

Pathways & Enrichment Policy

PURPOSE

This policy provides a detailed description of the responsibilities for staff and governors involved in Pathways and Enrichment in school. It complies with statutory requirements for Careers Education for schools in England, especially those relating to legislation contained in the Education Act 1997 (sections 42A, 42B and 45A) and the Education and Skills Act 2008 (section 72). This policy should be published on school websites as part of the statutory requirement to display information on careers provision and pupil destinations.

Role	Delegated Person	Contact Details
Head of Careers	TBC	
Pathways & Enrichment Lead	Rosalyn Chalk	r.chalk@arkkingsacademy.org
Pathways & Enrichment Link Governor	Rebecca James	Via school office

1. Roles and Responsibilities

1.1. Pathways & Enrichment Lead

Strategic Responsibilities

- Ensuring a full understanding of the [Gatsby Benchmarks for Good Career Guidance in schools](#), as the framework used to guide Pathways and Enrichment in Ark schools.
- Creating a cycle of activity and meetings with those responsible for delivery in school to drive the planning and monitoring of Pathways & Enrichment.
- Interrogating pupil destinations and the Pathways & Enrichment audit to ensure strategic plan is evidence-led, focused on key priority areas and is mission aligned
- Ensuring prompt and relevant messaging around Pathways & Enrichment to LGB, SLT and key staff as appropriate to gain buy-in and embed knowledge and understanding of Pathways & Enrichment across the whole school.
- Ensuring that pastoral and CPD activity is linked to needs identified in the pathways and enrichment priorities for the year.
- Identify need and access relevant Pathways & Enrichment support from Ark. Drawing links between other schools and proactively addressing overlap or duplication.

Operational Responsibilities

- Ensuring a full understanding of the [Gatsby Benchmarks for Good Career Guidance in schools](#), as the framework used to guide Pathways and Enrichment in Ark schools.
- Ensuring the strategic plan includes independent guidance for all pupils in years 7-11, and access for further education and technical providers to speak with pupils.
- Ensuring that relevant evidence is recorded against the strategic plan and programmes and activities are regularly evaluated for quality and monitored for impact.
- Engaging with external businesses, further and higher education institutions and third sector organisations to create purposeful partnerships and secure high quality pupil opportunities
- Facilitating and coordinating events and opportunities for pupils and ensuring that all safeguarding and health and safety requirements are met, particularly for off site visits
- Overseeing personal guidance opportunities for pupils to secure positive and appropriate destinations at the end of Year 11 and manage the destinations data collection process
- Developing and managing the alumni community within the school, ensuring that they are used within pathways and enrichment events
- Have one key person within the academy to ensure pathways and enrichment provision is embedded across all key stages, including consulting with heads of departments and colleagues delivering PSHE and enrichment programmes

1.2. Pathways & Enrichment Link Governor

The Pathways and Enrichment Link governor works on behalf of the Local Governing Body (LGB) to ensure a strategic approach to Pathways and Enrichment at the school and support for the operational and strategic leads. Key responsibilities include:

- Ensure a full understanding of the [Gatsby Benchmarks for Good Career Guidance in schools](#), as the framework used to guide Pathways and Enrichment in Ark schools.
- Ensure the school is meeting the statutory duty to provide independent careers advice to pupils from Y7-Y11 and are providing opportunities for FE and Technical providers to speak to pupils about pathways, as per the Baker Clause (see Annex 1).
- Support and challenge on the design and ongoing development of the school Pathways and Enrichment strategy. Monitor the effectiveness of delivery and seek out appropriate opportunities to talk to learners about their experience of the school's Pathways provision.
- Support school to forge purposeful links and partnerships with universities, colleges, and employers.
- Ensure destinations data is recorded, interrogated, and used to measure impact of the school's Pathways and Enrichment provision.

1.3. The Principal

The Principal has overall responsibility for the strategic planning and day-to-day delivery of Pathways & Enrichment provision.

2. Our mission, values and aims

We know there is more to success than academic achievement alone. Education is not simply about passing exams; it is about enabling pupils to learn the skills and qualities they need to be successful at school and beyond. We want every pupil to do well enough to go to university or pursue the career of their choice. To support this, our school ensures that alongside setting high expectations for academic progress, we also focus on building the habits and skills most desired by employers and universities, guarantee access and exposure to the experiences that will help them to shape a vision for their own future and guide their decisions about their university or career pathway after school.

In pursuit of our mission, Ark will support staff leading and coordinating pathway & enrichment in schools, by:

- Developing a common approach to collecting, analysing, and reporting on destinations of pupils at Year 6 and 11.
- Supporting effective planning, delivery, and evaluation against the Ark Pathway & Enrichment framework through one-to-one coaching, a programme of continuous professional development and provide opportunities to explore sector best practice and develop creative and collaborative solutions between schools.
- Developing and delivering network programmes, opportunities, and partnerships to address the biggest progression barriers our pupils and alumni are facing.
- Influencing the development of the Ark curriculum model to ensure it aligns with the needs of all Ark pupil groups and labour market.
- Developing online content and resources to share national and network best practice.
- Building our alumni community to support school programmes, and to help us measure the impact of our approach to pathways and enrichment.

3. Requirements for Pathways & Enrichment in Ark schools

Ark schools will align their planning, delivery and evaluation of Pathways & Enrichment to the [Ark Pathways & Enrichment framework](#), which is modelled on the Gatsby Benchmarks for Good Career Guidance. Within this framework, Ark schools commit to the following statutory requirements for schools, regardless of whether the statutory requirement applies to MATs in England. Every Ark school will:

- Appoint a named person to lead the Pathways & Enrichment programme.
- Ensure that pupils are provided with independent careers guidance from year 7 to year 11.
- Ensure that there is an opportunity for a range of education and training providers to access all pupils in year 7 to year 11 for the purpose of informing them about approved technical education qualifications or apprenticeships.
- Publish a policy statement setting out their arrangements for provider access and ensure that it is followed.
- Provide at least one employer encounter per year, for every pupil in years 7-11.
- Publish details of their careers programme for young people and their parents.

In addition to statutory requirements, Ark schools also commit to:

- Appoint a Link Governor for Pathways & Enrichment.
- Appoint a named Strategic Lead who has oversight for school Pathways & Enrichment strategy.
- Collect pupil destinations data for Year 11 leavers in line with Ark's guidelines for destinations data

4. Destinations Data

Ark expects all secondary schools to collect the intended and final destinations of their Year 11, pupils and share with their local authorities as part of their statutory responsibility.

- Tools are made available for schools to collect analyse their destinations data on an ongoing basis and we strongly recommend that schools take stock of intended destinations after February half term to understand if any additional guidance conversations are required with pupils.
- We expect schools to support pupils on results days with any changes to destination decisions and to remain in contact for up to 6 weeks after results days to confirm where and what pupils have gone on to do after school. If pupils at KS5 leave during the year, schools must record where they have gone on to study.
- Network analysis of destinations will take place in Autumn term and be shared with school leaders before Christmas.

Annex 1: Careers Policy statement required on secondary school websites

The Baker Clause requires all secondary schools to publish information on their websites about how education and training providers can engage with pupils in years 8 to 13 around technical qualifications and apprenticeships. Your school website should therefore include:

- 1. A Baker Clause statement (use the draft below)*
- 2. Details of your careers programme*
- 3. The Pathways and Enrichment policy (the policy above)*

The above will ensure you are meeting statutory requirements and are ready for Ofsted.

Ark Kings Academy uses the Gatsby Benchmarks as a guide to plan our Pathways and Enrichment programme. As part of our commitment to informing our pupils of the full range of learning and training pathways on offer to them, we are happy to consider requests from training, apprenticeship, and vocational education providers to speak to pupils.

Ark Kings Academy also proactively seek to build relationships with these partners as we plan our Pathways and Enrichment activity throughout the school year to ensure that providers have multiple opportunities to speak to pupils and their parents across years 7-13, to offer information on vocational, technical and apprenticeship qualifications and pathways. Ark Kings Academy ensures that Academy staff involved in personal guidance and pastoral support are up to date on their knowledge of these post-16 and post-18 pathways, through a programme of Continuing Professional Development.

Opportunities for providers to speak with pupils may include school assemblies, employer and provider engagement events or opportunities to speak with pupils and parents on a one-to-one basis supporting GCSE, post-16, or post-18 option choices. Ark Kings Academy's Pathways and Enrichment programme is monitored for quality and impact by the Academy's Senior Leadership and Governance Teams.

In the first instance, requests by providers should be sent to the Academy's Pathways and Enrichment Lead, Mrs Rosalyn Chalk (r.chalk@arkkingsacademy.org) with a minimum of 6 weeks' lead time. All requests will be considered based on; staffing availability to support the activity, clashes with other planned activity, trips or visits to the Academy, interruption to preparation for examinations or rooming and space availability to host the activity.

For questions on this or Ark Kings Academy's wider Pathways and Enrichment programme, please contact the Academy's Pathways and Enrichment Lead, Mrs Rosalyn Chalk.
