

Principal: Roger Punton

Dear parent/carer,

Year 11 Autumn Intervention Programme

At Ark Kings Academy, it is our mission that all students make outstanding progress across the curriculum. During these unprecedented times even more value is placed on time spent learning. With this in mind we will be offering opt-in after school intervention sessions in both English and Maths. Many students have already shown great interest so please do ensure your son/daughter takes full advantage of this opportunity.

The sessions will be running after school between 15:30 and 16:30.

Wednesday	Thursday
Maths	English

What is the purpose of intervention sessions?

The ultimate purpose of these interventions is to prepare your son/daughter for their finally GCSE examinations. In maths they will receive tuition, working in small groups with a maths specialist. In English they will focus on a key area of study, Macbeth, and will receive a series of expert *master class* sessions. This intervention will ensure your son/daughter makes accelerated progress and is subsequently well prepared for their upcoming mock exams. Please note mock exams will start the week commencing 9th November. We want your son/daughter to feel encouraged by their mock results and we therefore ask that you make the necessary arrangements to enable them to attend intervention each week and encourage them to be completing study at home.

If you have any questions regarding interventions, please do not hesitate to contact the school and I will endeavour to get back to you.

Thank you for your support,

Mr Smith
Head of Year 11
