Stationery
Themed Brain Teasers!

www.planbee.com
Write an advert for your favourite item of stationery.

remember to include...

- exaggerated adjectives
- facts and figures
- a memorable slogan
- emotive language
I'm not a razor, but I have a blade. I help things work, and I am manmade.
I'm not a razor, but I have a blade. I help things work, and I am manmade.

I am a pencil sharpener.

Now it is your turn! Pick an item of stationery and write a riddle or a clue describing it. Who can solve your clue?
Work out how much each of these items is worth and solve the calculation.

1. Scissors + Scissors + Scissors = 6
2. Colour pencils + Colour pencils = 10
3. Scissors + Colour pencils + Pencil = 6
4. Scissors + Colour pencils + Pencil =
Work out how much each of these items is worth and solve the calculation.

- Scissors + Scissors + Scissors = 6
- Colorful Pencils + Colorful Pencils = 10
- Scissors + Colorful Pencils + Pencil = 8
- Scissors + Colorful Pencils + Pencil = 2
- Scissors + Pencils = 5
- Pencil = 1
Work out how much each of these items is worth and solve the calculation.

- Pencil sharpener x Pencil sharpener = 9
- Pencil sharpener x Paper clip = 6
- Pencil sharpener x Highlighter = 12
- Highlighter x Paper clip = ?
