

Dear Parent/Carer,

We notified you yesterday that a student in the Year 9 and Year 10 bubble tested positive for Coronavirus (COVID-19) on a Lateral Flow Device test (LFD) and that we were awaiting the results of a PCR test to confirm this. The PCR test result has come back negative which means that all pupils in the Year 9 and Year 10 bubble can return to school tomorrow, Wednesday 30th June, at the normal time of 8.25am.

Home learning will continue for the rest of the day today and your child needs to complete this work on their digital device.

Year 10

A full revised timetable for the exams is on our website and will be discussed in form time tomorrow.

The timetabled exams for tomorrow are:

English Literature paper 2 – All Year 10 students
I-media and GCSE PE – Year 10 option students

Thank you for your ongoing support in helping us to reduce the spread of Coronavirus at this time.

Yours sincerely

Roger Punton
Principal
