We have introduced a new text notification system for attendance. You will be notified by text if your child arrives late to school or if they truant registration periods. The school day starts at 8.25am and it is important that your child is in school on time and ready to learn. Repeated lateness may trigger involvement from the Education Welfare Service and could lead to prosecution and a fixed penalty fine. Please can you ensure that your child is in school on time every day in order for them to access all of their learning and to maximise their potential. If you change any of your contact details please can you inform the school as soon as possible to ensure that you receive communications from school. You can discuss concerns regarding attendance and punctuality with your child’s Student Support Manager. Thank you for your ongoing support.

## Envision workshops

Envision workshops take place weekly at Ark Kings. The aim is to build confidence and develop employability skills in our young people. Through structured active citizenship programmes, using social action as a vehicle to get young people engaged in issues that affect their local communities.

## Inunity mentoring group

Partnership work with Inunity. These group of boys have grown immensely in maturity and are becoming aware of the bigger community outside of school. Steve and Mrs Cole have been working with this group for sometime on many issues that face young people and we are pleased with how their emotional resilience is progressing, working towards removing barriers and raising learning levels.
